

Appendix 4
Seskoad Recommended Model Evaluation
of Territorial Aims¹

SECRET

Example

TERRITORIAL AIMS

KABUPATEN:.....

1. Geographical situation

a. Basic information:

- 1) Size of Daerah/Kabupaten:
- 2) Capital:
- 3) Within its borders:

b. Seasonal Climate and Wind.

- 1) Climatic situation
- 2) Rainfall
- 3) Prevailing winds.

c. Terrain.

- 1) Soils
- 2) Mountains
- 3) Lakes
- 4) Rivers
- 5) Forests

d. Land

- 1) Type of lands.
- 2) Land data.
- 3) Map of land situation as appendix.
- 4) Land fertility data.

2. Demography

a. Total population:

- 1) Give all population details on the basis of the last census. To be clear, make a list of the population according to each Kabupaten/Kecamatan/Desa. Append the list.
- 2) Make a list describing the situation regarding Foreign Inhabitants.
- b. Ethnic makeup. Give an explanation and a diagram of the ethnic situation in the region, including both groups indigenous to the region and immigrant groups with a short history.

c. Population density.

- 1) Across how broad an area is the population spread in sq. km.? What are their total numbers across this area? Get the

1. Seskoad [Sekolah Staf dan Komando], *Vademecum: Pengetahuan Pertahanan Keamanan*, (Bandung: Markas Besar, TNI-AD, Sekolah Staf dan Komando, Cetakan Dua, 1982), pp.332-335, Appendix G.

population density by dividing the total population by the number of sq.km. By comparison, the population density of Indonesia is+ 55 people per sq.km.

- 2) What measures have been/are being taken to limit the population density (family planning, outward transmigration, inward transmigration)?
- 3) If the region is the source of transmigration, how many have been sent and how many are ready to be sent each time?
- 4) Regions which are becoming a transmigration target/regions which are prepared to accept transmigration.

d. Percentage population comparison.

By what percentage is the population thought to be growing each year?

e. Population mobility (horizontal/vertical) [Eng.].

What is the population traffic from day to day? Make a list describing the total population (indigenous, foreign [asli, asing]) per Kabupaten/Kecamatan/Desa.

f. Influential or well-known people:

- 1) Citizen groups.
- 2) Foreign groups.

3. Social Conditions

a. Political ideology:

- 1) Political parties/Mass Organizations
 - a) Types.
 - b) Total membership
 - c) G30S/PKI problems.
 - d) Other problems.

2) Government.

b. Economy

1) General economic conditions.

2) Agriculture

- a) Food resources
- b) Land types
- c) Agricultural production
- d) Agricultural technology
- e) Organizations and other bodies
- f) Agricultural land distribution.

3) Fishing

- a) Marine fishing
- b) Land fishing.

4) [Peternakan]

- a) Give an explanation of the kinds of [peternakan] in the area.
- b) Strength of the [peternakan].

5) Gardens.

6) Industry.

7) Labour.

8) Trade

- a) Type of goods exported.
- b) Type of goods imported.

- 9) Banks [Eng.] / Moneylenders.

- 10) Cooperatives.

- 11) Mining.

- 12) Communications.
 - a) Land communications.
 - b) River communications
 - c) Sea
 - d) Air
 - e) Telecommunications
 - f) Press

- c. Social and Cultural Conditions.
 - 1) Education.

 - 2) Health
 - a) Types of hospitals (general, special, health-care locations. Make a table showing:
 - 1) Polyclinics and consultation buildings
 - 2) Total nos. of doctors/nurses and midwives.
 - b) List the illnesses to be found in this Province, and where possible, their frequency.

 - 3) Other activities.

 - 4) Languages.

 - 5) Arts.

 - 6) Customs etc.
 - a) Prohibitions.
 - b) Adat (customary law) in daily life.

- d. Military.

- e. Religion.
 - 1) Give an explanation of the kinds of religion/beliefs in the region, with the percentage following each.

 - 2) What is the living condition of each, and is there any conflict between them?

 - 3) Explain the development [i.e. condition] of places of worship of each religion.

 - 4. Other.
 - a. Vital objects.
 - b. Important projects.

 - 5. Conclusion.
