

Global Problem Solving Book: Complexity, Security, and Civil Society in East Asia: Foreign Policies and the Korean Peninsula

Recommended Citation

"Global Problem Solving Book: Complexity, Security, and Civil Society in East Asia: Foreign Policies and the Korean Peninsula", Books, June 22, 2015, <https://nautilus.org/announcements/books/global-problem-solving-book-complexity-security-and-civil-society-in-east-asia-foreign-policies-and-the-korean-peninsula/>

Complexity, Security and Civil Society in East Asia (ed. [Peter HAYES](#) and [Kiho YI](#), OpenBook Publishers, 2015) offers an understanding of complex global problems including nuclear weapons, urban insecurity, energy, and climate change in the region. Detailed case studies in China, North and South Korea, and Japan demonstrate the importance of civil society and “civic diplomacy” in reaching shared solutions to these problems in East Asia and beyond.
