1. [Warning on delays for fighter jets](#), Simon Mann and Kirsty Needham, Age, 2010-03-13

Australia could be delivered aircraft with stripped-back war fighter capabilities, in addition to facing further cost blow-outs to the Joint Strike Fighter program, a leading analyst has said. The price for each of the US-built new-generation fighter jets that will form the centrepiece of Australia's future air defences is nearing \$122 million - more than double the 2001 estimate.

6. [East Timor threatens to scuttle gas development](#), ABC News, 2010-03-13

East Timor's president Jose Ramos-Horta says his country is serious about making sure its interests are not ignored in the development of the Greater Sunrise Gas field.

7. [Nuclear weapons: arms control, proliferation and nuclear security](#), Special Report Issue 29, Rod Lyon, ASPI, 2010-03-11

The nuclear arms control agenda currently enjoys a prominence that it has not had since the first half of the 1990s. This report explores a range of issues, including President Obama's Prague commitments, the looming Global Nuclear Security Summit, and the scheduled Nonproliferation Treaty Review Conference.
