MTMC REPORT TE 83-3h-46
KOREAN PORTS AND TRANSPORTATION SYSTEMS
CAPABILITY STUDY
VOLUME II
THE PORTS OF KOREA
(PART I)

May 1984

Project Engineer/Coordinator

William J. Cooper

Project Members

John McClaire, CPT, TC

Allen Snyder

MILITARY TRAFFIC MANAGEMENT COMMAND
TRANSPORTATION ENGINEERING AGENCY

Newport News, Virginia 23606

has good maps of
ports
main roads
→ AFS
railway.

- listing at end of best ports.
- note: problem of ports & relative to ammo hazard.
- lack of railway
- need to rely on private yards, especially for
roll-on-roll off & containers.

- vol. I + III are intel + intra-theater lift analysis.
- this vol is just the port data.
