"1999", homepage archive, December 31, 1999, <https://nautilus.org/homepage-archive/1999/>

The screenshot shows the Nautilus Institute homepage from 1999. The header features the logo and the text "the nautilus institute" with the tagline "FOR SECURITY AND SUSTAINABILITY". Below the header, there are several news items and sections:

- nautilus weekly update**: A section with a "nautilus weekly update" link.
- Nautilus Awarded EPA Grant for Trans-Pacific Air Pollution Conference**: A news item dated October 8, 1999, stating that the U.S. EPA awarded the Nautilus Institute a \$20,000 grant to help fund an international scientific conference on trans-Pacific transport of atmospheric contaminants. The Nautilus Institute is working in conjunction with the EPA Office of International Activities and EPA-Region 10 (Pacific Northwest & Alaska) to host the conference. For further details, contact (510) 530-0000 or info@nautilus.org.
- Wade Huxley Publishes Article on South Asian Nuclear Tests**: A news item dated October 8, 1999, stating that the Nautilus Institute's Security Program Director, Wade Huxley, published "Alternative Futures after the South Asian Nuclear Tests: Proliferation as Prerequisite" in Vol. 30, No. 3 (May/June 1999) of *Asian Survey*. The article offers a conceptual framework within which the implications of the long-term implications of the South Asian nuclear tests may be systematically assembled and assessed. It outlines the background and context for the nuclear tests, and presents a set of scenarios that describe a range of possible courses of events in Asia in the wake of the nuclear tests and in the context of the tests' wider regional implications. Each scenario is derived from varying assumptions concerning the disposition of selected contemporary critical uncertainties.
- Industry-NGO Roundtable on Corporate Accountability**: A news item dated October 8, 1999, stating that the California Global Corporate Accountability Project, in collaboration with the Environmental and Natural Resources Law and Policy Program at Stanford Law School, will hold a Roundtable, "Hard Issues, New Approaches: Strategies For Improving the NGO-Industry Dialogue on Corporate Accountability" on October 15, 1999.
- Japanese Nuclear Accident**: A news item dated October 8, 1999, stating that the Nautilus Institute is working in conjunction with the EPA Office of International Activities and EPA-Region 10 (Pacific Northwest & Alaska) to host the conference.
- Research / I / O / S / E**: A section with a "Research / I / O / S / E" link.
- email news services**: A section with an "email news services" link.
- napenet daily report**: A section with a "napenet daily report" link.
- recent papers**: A section with a "recent papers" link.
- A Vessel Traffic System Analysis for the Korea/Tsushima Strait**: A news item dated October 8, 1999, stating that the Nautilus Institute is working in conjunction with the EPA Office of International Activities and EPA-Region 10 (Pacific Northwest & Alaska) to host the conference.
- Towards International Cooperation on the Northwest Asian Ocean Environment**: A news item dated October 8, 1999, stating that the Nautilus Institute is working in conjunction with the EPA Office of International Activities and EPA-Region 10 (Pacific Northwest & Alaska) to host the conference.
- Civil Society and Clean Energy Growth in Asia**: A news item dated October 8, 1999, stating that the Nautilus Institute is working in conjunction with the EPA Office of International Activities and EPA-Region 10 (Pacific Northwest & Alaska) to host the conference.
- Towards a Stakeholder Model of Environmental Governance**: A news item dated October 8, 1999, stating that the Nautilus Institute is working in conjunction with the EPA Office of International Activities and EPA-Region 10 (Pacific Northwest & Alaska) to host the conference.
- Japan Under the Nuclear Umbrella**: A news item dated October 8, 1999, stating that the Nautilus Institute is working in conjunction with the EPA Office of International Activities and EPA-Region 10 (Pacific Northwest & Alaska) to host the conference.
