## Korean Peninsula

---

### 1. US-DPRK Missile Talks

US-DPRK negotiations over the DPRK's missile program ended in a stalemate Wednesday, with the US refusing to pay US\$1 billion a year in exchange for a halt to missile technology exports and the development of weapons for self-defense.

---

### 2. US-DPRK Relations

ROK sources said that US Secretary of State Madeleine Albright and DPRK Foreign Minister Paek Nam-sun may meet late this month on the sidelines of the Association of Southeast Asian Nations Regional Forum. A Korean-American journalist interviewed DPRK leader Kim Jong-il cited Kim as saying that he would soon send DPRK Workers' Party secretary Kim Yong-sun and a senior military officer to the US.

### 3. Reunion of Separated Families

The ROK Red Cross came up with a list on Friday of 200 candidates who may be reunited with their relatives in the DPRK and the DPRK will hand over its list of 200 DPRK residents on July 16. After both sides identify those whose families are dead or cannot be found, the number will be narrowed to 100 each.

#### **8. US-PRC Relations**

Experts at the Washington-based Nixon Center, the California think tank Rand Corporation, and Harvard University's Belfer Center for Science and International Affairs, released its study week which described the PRC not as a potential strategic partner, but as "America's major potential strategic adversary in East Asia." US defense officials said that the PRC several times turned down offers to conduct joint military exercises with US forces, including indoor "table top" simulations, to practice humanitarian relief or search and rescue operations.

## 9. PRC View of Missile Defense

Many PRC officials worry that although the US speaks of engaging it, the US goal is to contain the PRC, as the US missile defense program demonstrates, and the PRC will not passively accept breaches in its security. PRC officials have expressed exasperation at the justification for the proposed missile defense system put forward in previous discussions with US officials.

## Japan

---

### 12. Japan-DPRK Talks

Japanese Prime Minister Yoshiro Mori said on Friday that he was seeking a resumption of talks for normalization of Japan-DPRK relations and that the July 27 meeting of the ASEAN (Association of Southeast Asian Nations) Regional Forum (ARF) would provide a good opportunity for discussion. They are likely to hold talks in late August, and Japan intends to send food aid to the DPRK ahead of the meeting.

### 13. G8 Meeting in Japan

Experts said that the Group of Eight (G8) powers meeting in Japan from July 12-13 will likely downplay disagreements about how to deal with the DPRK's ballistic missile program.

Experts also ruled out the possibility of a G8 statement on Taiwan.

## Missile Issues

---

### 14. US Missile Defense

A US missile interceptor test failed when the interceptor's kill vehicle failed to separate from the interceptor's second stage rocket motor. While administration officials said this was not a failure of key new technology. Experts both in the US and abroad discussed the positives and negatives of continuing with the program.
