Welcome

About Virtual Expeditions : Contributors

Virtual Expeditions 1.0 (Tokyo Bay and San Francisco Bay) is a joint project of WorldLink Foundation and Nautilus Institute. We gratefully acknowledge the support of the following people and organizations.

Participating Organizations

Bay Area School Reform Collaborative: committed to supporting whole-school change in the Bay Area.

[Center for Global Communications \(GLOCOM\)](#): a nonprofit social science research institute in Tokyo specializing in the study of the relationship between new information technologies and various sectors of society.

[Center for Global Partnership](#): a nonprofit grantmaking foundation dedicated to enhancing US-Japan and global interaction through collaborative projects.

[Citicorp Foundation](#): the grantmaking foundation of the Citibank Corporation, focusing on community development and education.

[Nautilus Institute for Security and Sustainable Development](#): a nonprofit policy-oriented research and consulting organization, promoting international partnership for security and ecologically sustainable development with a focus on the Asia-Pacific region.

Sega Foundation: committed to supporting youth education and dedicated to the well-being of American youth.

Smart Valley, Inc.: a nonprofit organization focusing on the application of technology in ways that help transform the way we work, live and learn.

US-Japan Foundation: a private and independent grantmaking organization dedicated to enhancing greater mutual knowledge between Japan and the United States.

WorldLink Foundation: dedicated to making available innovative global education programs that foster excellence in teaching and learning.
