

**Appendix 7**  
**Kopkamtib Questionnaire for Workers<sup>1</sup>**

---

---

1. Describe your family background and that of your spouse, starting with your grandparents and those of your spouse. Mention the religion(s) and the organizations/parties which they have followed. Tell the story of your family since you were small, from the time you started Primary School. Was it on the whole comfortable or difficult? If you were adopted say who your foster parents were. Also give the full names of your brothers and sisters, brothers-in-law and sisters-in-law. Then give the names of your closest acquaintances during the last three years.
2. If you have ever received a scholarship, where was it from and on what conditions was it issued?
3. The basis of your convictions/religion. Do you practice these (convictions/religion) diligently? Which parish-church-mosque are you part of?
4. Your attitude towards mystical sects.
5. Say which national/world heroes you admire, and give your reasons.
6. Recite the Pancasila. Describe your attitude toward the Pancasila.
7. What would you think if the Pancasila were altered?
8. Explain P4.<sup>2</sup>
9. Your view of G30S/PKI. Your reaction.
10. Were any members of your family involved?
11. Marxism/Leninism. When did you hear of it, come to understand it, in what circumstances? Communism is a latent danger, do you agree?
12. Your attitude towards protest demonstrations with banners.
13. Your attitude towards the Dual Function of the Armed Forces.
14. Your understanding of the New Order. What is it? What is its basis?
15. Your attitude to citizens who reject or do not take part in the General Elections.
16. The monoloyalty of Public Servants/the Armed Forces towards the Government. What is your opinion?
17. Is the existence of KORPRI [*Korps Pegawai Republik Indonesia - Indonesian Public Servants Corps*] in accord with Article 28 of the Constitution of 1945<sup>3</sup>?

---

1. "Intelligence test", *Inside Indonesia*, 8 (1986).

2. P4 are the Government courses in the Pancasila state ideology.

3. Article 28 reads: "Freedom of association and assembly, of expressing thoughts and of issuing writing and the like, shall be prescribed by statute".

These questions are for you alone.  
If as a consequence of this you are dismissed from your company, what  
would your attitude be?  
Be prepared to accept the risks if you make an erroneous statement.
