NPR REPORT #60

By: Col Rhoades

Working Group: 5

MEETING SPECIFICS: 25 Jan 94, Blue Room

ATTENDEES: Dr Wallerstein chaired meeting.

MEETING AGENDA/OBJECTIVES:

- Review Col Shannahan's "Deterring Acquisition of WMD" paper.
- Hear status reports from other drafting groups for deterring use (nuclear, chemical biological and terrorism).

MAJOR CONTRIBUTORS:

- Col Shannahan provided short brief on status of deterring acquisition of WMD (paper (Tab 1). Since group did not have opportunity to read paper before brief only discussion item was where terrorism fit in structure. Paper at Tab 2. Working group members comments due by 2 Feb. Col Shannahan intends to submit paper for formal coordination after first draft comments.
- Other authors indicated that their drafting groups were still in the "data gathering" mode. First drafts will probably be available by 15 Feb for working group review.
- Dr Wallerstein provided copy of his briefing slides (Tab 3) presented at 19 Jan steering group meeting. Indicated that Dr Carter said group was focusing on right questions.
